

# **Juan Diego Academy Emeralds Contract**

## **2015 - 2016**

### ***Purpose and Mission***

It is the purpose of the JDA Emeralds to promote school spirit, provide entertainment at athletic events, and to represent the school and community at community events and dance team competitions. The mission is to provide dancers with a successful and meaningful educational experience. Team members have personal goals of high academic achievement, increasing their dance ability, learning effective time management, and forming strong friendships. The success of this team is due to a strong commitment from the dancers, parental involvement and experienced sponsors. The dancers exhibit good sportsmanship, positive attitudes toward team members, competitors, schoolmates and parents.

### ***Requirements***

- A. For each semester, members must:
1. Be passing all classes
  2. Be current in Christian Ministry Hours

### ***Conduct***

A. By accepting the privilege and honor of being a member of the Emeralds, a dance team member accepts the fact that her actions are more prominent than those of persons not associated with such an activity.

B. Because of this prominence, and because members represent Juan Diego Academy, exemplary behavior is mandatory at all times, anywhere in the community of JDA and at all functions where dance team members are recognized as representatives of JDA.

C. All rules and regulations imposed on any JDA student will be imposed on dance team members. Members are responsible for knowing all school policies and procedures. Student parent handbook.

D. A merit/infraction system will be used throughout the school year to manage minor violations. Merits may be earned for behavior above and beyond that which is expected of a dance team member. The system is as follows:

1. 1 infraction will be issued for such offenses such as tardiness, wearing jewelry, talking, chewing gum, missing poms or uniform items, failing to follow instructions, etc.
2. A dance team member will sit out a performance if she receives 5 infractions during a season, or for more serious offenses such as missing practice without notification

E. Poor conduct/behavior under any of the above circumstances could result in warning, infractions, and/or suspension/removal from the team. Inappropriate behaviors not only reflect on the individual, but can also affect the image of the entire team. The good of the squad always comes before any one individual. No one is irreplaceable or indispensable. If it is in the best interest of the squad that an individual or individuals be moved from a performance or from the team, this action will be taken by the sponsor in consultation with the administration. Parents and dancers are free to discuss with the sponsor all decisions and questions about conduct, however the decision of the sponsor is final in all disciplinary matters.

G. Payment for uniforms must be paid at registration. The cost for each participant will be \$150.00.

## ***Learning/Teaching Routines***

- A. Members are expected to be attentive and cooperative when learning routines. Repeated disruptions, especially during practice, will result in warnings, infractions and possible removal from that performance. Continued problems will result in calls to parents, additional game suspension and possible removal from the team.
- B. Constructive criticism/suggestions given in a polite manner are welcomed. Complaining and/or rudeness to the teacher of the routine are a disruption and will carry with infractions.
- C. Everyone must practice the steps learned in practice, on their own, before the next class/practice in order to be prepared to go on. Steps missed when absent should be learned within one day of return. All performances will require a try-out.
