2017-2018 School Year

Dear Prospective Students and Parents,

We are honored that you are considering joining our school community. Beginning with the 2017-2018 school year, the application process to our school is done primarily online. The following guide is provided as an aid in helping you navigate through the various steps of the process:

- Step One:** Arrange to take the Entrance Exam (test is normally given in late October and early February—see the web site or contact the school office for more information). There is a \$25.00 charge for the exam.
- Step Two (optional):** Complete and submit the Financial Aid Form (directions for the online completion of this application can be found under *Financial Aid*)
- Step Three:** Complete the online application for admission, including supporting documents (click on the *Application for Admission* section of the web site).
- Step Four:** Complete a personal interview with members of our Administrative Team
- Step Five:** Upon receipt of acceptance letter from Juan Diego Academy, pay the non-refundable registration fee and other optional fees (*bus, lunches, sports fees*)

All of us at Juan Diego Academy are looking forward to providing your child with the highest quality educational experience that will equip them with the tools they need to be successful college students and committed Christian leaders called to seek justice, foster devotion, and be active participants in the Church and our world. If we can be of service to you in any way, please do not hesitate to contact us.

Prayer as you discern becoming a member of our school community.
